Learn Upper And Lower Case Letters In Addition To Number Value

Give your child a head start in school with the Commodore Kinder Koncept's **LETTER MATCH/MORE OR LESS** package. This package contains four reading and four math lessons. Simply load the program and let your child begin learning basic reading and math skills. **LETTER MATCH/MORE OR LESS** lessons are simple to use and fun for your young child.

The Program Features: • Child tested menus for easy access to lessons. • An easy-to-follow parent/teacher guide. • Fun "musical and graphics show" given as a special reward.

Teach your child how to match upper and lower case letters and pairs.

Learn to identify which is more and which is less.
